Jesaja 53:5

Tema vir die Maand
IN Geloof

Christenskap is een van die drie monoteïstiese (geloof in een God) gelowe in die wêreld wat hul oorsprong vind in God se verbond met Abraham. Alhoewel dit in Engeland vandag offisieel 'n minderheids-geloof is, *is die Christendom die wêreld se grootste en mees wydverspreide godsdiens met ongeveer 2,4 biljoen volgelinge wat ongeveer een derde van die wêreldbevolking* verteenwoordig versprei oor 157 lande en streke (Wikipedia).

Die *History* Channel beskryf die Christen geloof soos volg:
The Christian faith centers on beliefs regarding the birth, life, death and resurrection of Jesus Christ. While it started with a small group of adherents, many historians regard the spread and adoption of Christianity throughout the world as one of the most successful spiritual missions in human history.

Christene glo dat Jesus die Seun van God is, wie se koms as die Verlosser (of Messias soos geprofeteer in die Hebreeuse Bybel, die Ou Testament) opgeteken is in die Nuwe Testament. Die vier *Evangelies* (wat "Goeie Nuus" beteken) vertel vir ons die verhaal van God wat in Sy Seun se lewe, sterwe, opstanding en Gees die wêreld verander.

Geloof in God definieer elke gelowige se lewe. Tog is daar verskillende uitgangspunte van wat dit beteken om 'IN Geloof' te leef. Dit is waar van die monoteïstiese gelowe, asook die onderskeie takke van die Christendom. In ons reformatoriese tradisies is dit van kardinale belang om telkens en deurlopend, in gebed te ondersoek hoe ons L*ewe In Geloof* daarna moet uitsien.

Maandelikse Bybel Bespreking

Lewe IN geloof

Die Heidelbergse Kategismus is opgestel in Heidelberg, Duitsland. Die nuwe kategismus was bedoel as hulpmiddel vir die onderrig van jongmense, asook 'n gids vir prediking, en om eenheid tussen Protestantse faksies te bewerk. Bestaande literatuur is gebruik en verwerk. Die eerste Kategismus was goedgekeur deur die Heidelbergse Sinode in Januarie 1563, en was toe reeds ingedeel in 52 seksies (een vir elke Sondag van die jaar). Die Heidelbergse Kategismus was in 1619 ook deur die Sinode van Dordrecht goedgekeur en aanvaar. Vandag is dit steeds die mees wydverspreide en vertaalde kategismus uit die Reformasie tydperk.

Die Heidelbergse Kategismus is in drie dele verdeel. Die eerste deel handel oor die sonde-toestand en ellende van die mens. Die tweede deel handel oor die verlossing van die mens deur die liefde en genade van God. Die derde deel handel oor die nuwe lewe in geloof en dankbaarheid wat uit gelowiges se lewens vloei. In geloof sien en begryp ons hoe Jesus Christus die mens se bestaan transformeer. IN geloof word die ou lewe nuut; verander duisternis in lig; is die finaliteit van die dood eintlik die begin van die lewe.

As gelowiges in die 21ste eeu is dit steeds relevant en krities om stil te staan en te weet hoe ons, ons lewens in geloof moet leef. Ek wil jou uitnooi om in geloof, oor die volgende maand, saam te lees en te bid dat die betekenis van die Paas-gebeure in geloof gesien en verstaan sal word.

Geseënde Paastyd

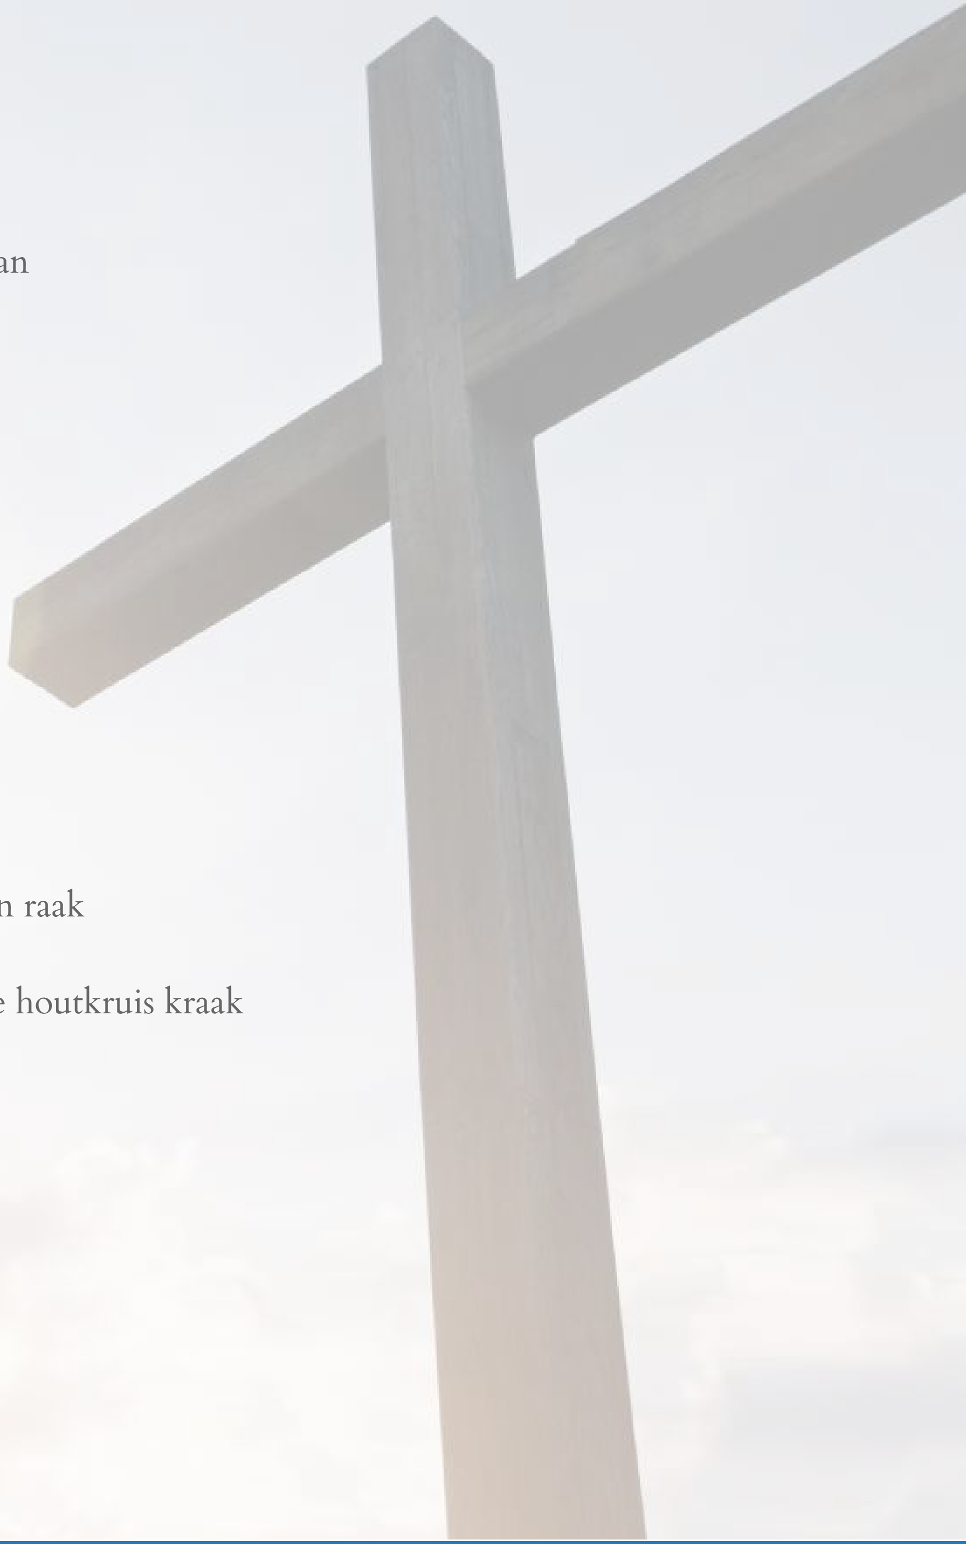
Daar was 'n Houtkruis



Daar was ‘n houtkruis
Ja ´n Redder aan ‘n houtkruis vasgeslaan
Daar was ‘n houtkruis
En daarom sal ek sing

Ek onthou vir Dawid
Voor die ark het hy gedans en juig
Na die kruis van Jesus
Hoe sal ons kan hande vou en swyg

Want daar was ´n houtkruis
Ja ´n Redder aan ‘n houtkruis vasgeslaan
Ja daar was ‘n houtkruis
En daarom sal ek sing

Wie sal my stilmaak
Wie sal my kitaar se snaar afbreek
Wie sal my kan doodmaak
As my voete in dans wil los wil breek

Want daar was ´n houtkruis
´n redder aan ‘n houtkruis vasgeslaan
Ja daar was ‘n houtkruis
En daarom sal ek sing

Ek vra nie hoe jy voel nie
As gevoelens hoegenaamd besluite kon raak
Dan was daar nooit die pyn nie
Toe die spykers deur die bloed daardie houtkruis kraak

Want daar was ´n houtkruis
´n redder aan ‘n houtkruis vasgeslaan
Ja daar was ‘n houtkruis
En daarom sal ek sing

Daar was 'n houtkruis
My Jesus aan 'n houtkruis vasgeslaan
Ja daar was 'n houtkruis
En daarom sal ek sing
Daar was 'n houtkruis
en daarom kan ek sing

The Real Pearl Necklace

Jenny was a cheerful little girl with bouncy golden curls. Waiting with her mother at the checkout stand, five year-old Jenny saw them–a circle of glistening white pearls in a pink foil box. “Oh, please, Mommy. Can I have them?”

The mother checked the back of the box then looked into the pleading eyes of her daughter. “They’re almost two dollars. If you want them, I’ll think of some chores for you, and in no time you’ll save enough money to buy them for yourself. Your birthday is only a week away and you might get a *dollar bill* from Grandma.”

As soon as Jenny got home, she emptied her bank and counted out seventeen pennies. After dinner, she did more than her share of chores. She went to the neighbor and asked if she could pick dandelions for ten cents. On her birthday, Grandma gave her a crisp new dollar bill and at last she had enough money to buy the necklace.

Jenny loved her pearls. They made her feel grown up. She wore them everywhere–Sunday school, kindergarten, even to bed. The only place she didn’t wear them was when she went swimming or had a bubble bath. Mother said if they got wet, they might turn her neck green.

Jenny had a loving daddy. Every night when she was ready for bed, he would stop whatever he was doing and read her a story. One night, when he finished the story, he asked Jenny, “Do you love me?”

“Oh, yes, Daddy. You know I love you!”

“Then give me your pearls.”

“Oh, Daddy, not my pearls. You can have Princess–the white horse from my collection.
She’s my favorite...but please, not my pearls.”

“That’s okay, honey. Daddy loves you. Good night.” He brushed her cheeks with kisses.

The Real Pearl Necklace

A week later, after story time, Jenny's daddy asked again, "Do you love me?"

"Daddy, you know I love you!"

"Will you give me your pearls?"

"Oh, Daddy, not my pearls. You can have my doll–the brand new one I got for my birthday. She's beautiful, and you can even have her little yellow blanket. Please, Daddy, not my pearls."

"That's okay, honey. Sleep well and God bless you. Daddy loves you." As always, he brushed her cheeks with gentle kisses.

Several days later, when Jenny's father came in to read her a story, Jenny was sitting on her bed and her lip was trembling. "Here, Daddy," she said, and held out her hand.

She opened it and her beloved pearl necklace was inside. She let it slip into her father's hand. With one hand her father held the plastic pearls and with the other he pulled out of his pocket a blue velvet box. Inside of the box were real, genuine, beautiful pearls.

He had them all along. He was waiting for Jenny to give up the cheap stuff so he could give her the real thing.

The same with our Heavenly Father, He is waiting for us to give up the cheap/fake things in our lives. Are you holding on to harmful relationships, habits, activities... which you have come so attached to that it seems impossible to let go? Sometimes it is so hard to see what is in the other hand but do believe one thing, God will never take away something without giving us something better.

Today

There are two days in every week in which we do not have to worry, Two days, which should be kept free from fear and apprehension.

One of these days is Yesterday.
Yesterday with all its mistakes and cares, its faults and blunders, its aches and pains. Yesterday has passed forever beyond our control. All the money in the world cannot bring back yesterday. We cannot undo a single act we performed; we cannot erase a single word said. Yesterday is gone forever.

The other day we should not worry about is Tomorrow.
Tomorrow with its possible adversities, its burdens, its large promise and its poor performance. Tomorrow is almost beyond our immediate control. Tomorrow's sun will rise, either in splendor or behind a mask of clouds, but it will rise. Until it does we have no stake in Tomorrow, for it is yet to be born.

This leaves only one day, Today.
Any person can fight the battle of just one day. It is when you add the burdens of those two awful eternities, Yesterday and Tomorrow, that we break down.
It is not the experience of Today that drives a person mad. It is the remorse and bitterness of something, which happened yesterday and the dread Tomorrow may bring.

Let us, therefore, live one day at a time.
